

# Wedding Programs

## Swivels

Swivels are fun! The photos on the left show a 3-layer program stepped in 1/2" increments and the copy flows from page to page. Bottom center and right photos show a 4-layer program that is stepped in 1-inch increments and features titles on the bottom of each layer. The titles can be changed to meet the needs of your wedding. Programs are attached at the top with a brad and the layers swivel for easy reading. You may print on one stock or a variety of 2, 3 or 4 colors of stock depending on the number of layers. Go from elegant to fun and festive with this very affordable design just by way of your paper choice. Makes a terrific keepsake. The overall size for the 3-layer piece is 3-1/2" x 8-1/2" and the 4-layer design is 4" x 7".
